Nice to meet you! Yesterday, I had a really busy day.

I woke up early in the morning at 7 o'clock.

Then I drank a nice, hot cup of

And read the daily newspaper on  
my favourite chair.

After that, I ran in the park with my little dog, Bobby.

And then I swam in the swimming pool near the park.

Next, I rode my horse in the woods until I was hungry.

At midday I ate my lunch - a ham and cheese sandwich.

After lunch, I slept for an hour.  
My sofa is really comfortable!

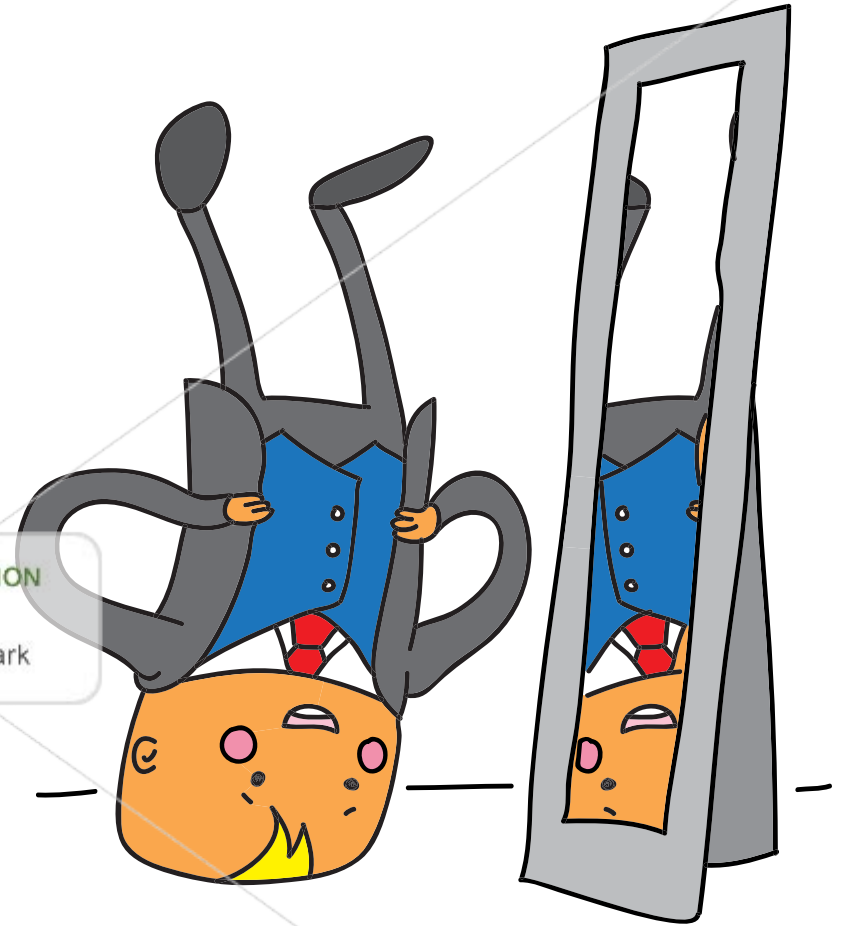

In the afternoon, I wrote a letter  
to my mother.

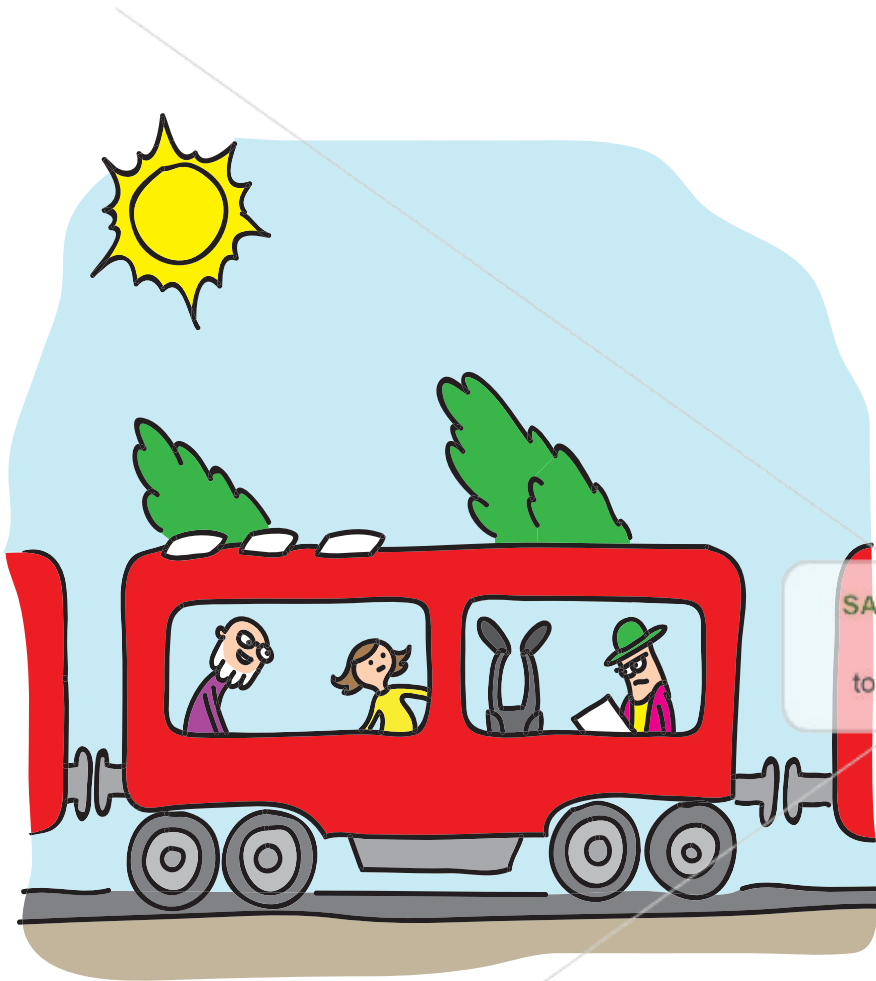

And then I did my English homework. Phew!

And went to my girlfriend's house on the train.

I gave a bunch of flowers to my girlfriend. She was delighted!

We ate dinner in a very nice  
restaurant.

After dinner, we sang karaoke.  
We had a lot of fun!

Then I came back home. It was a very dark night.

Finally, I went to bed. I slept very well after such a busy day!
