Songs: Describe Your Friend

These can be downloaded at http://www.eslkidstuff.com/esl-kids-lesson-plans.html

You will also need:

- colored crayons / pencils
- CD / Tape player or something to play the song on
- Whiteboard or blackboard with as many different color markers / chalk as possible
- blank A4 paper - 1 per student
- magazine cut out pictures of people

Notes:

A lesson on descriptive adjectives and 3rd person 'he/she' and includes a lively song about describing your best friend.

IMPORTANT: In American English is it usual to use the structure "He/She has (long hair)" when describing, however in British English the most common structure is "He/She has got (long hair)" which is usually contracted to "He/She's got (long hair)". In this lesson plan we provide American English structures first, followed by the British English version, shown as (GB: ...). The worksheets, song and reader accompanying this lesson plan come in both American and British English versions.

Lesson Procedure:

Warm Up and Maintenance:

See our "Warm Up & Wrap Up" lesson sheet.

New Learning and Practice:

1. Introduce the descriptions vocab

For this lesson you are going to use your artistic drawing skills. Use a whiteboard or blackboard to draw the following:

- At the top of the board draw 2 circles (these will be the heads). Elicit "circles".
• On each head draw a nose, ears and a mouth. Elicit each as you draw them. Then ask "What's missing?".

• Elicit "eyes". Ask "What color are they?" and give the students the options of the colors of markers / chalk you have. Then draw the eyes in the chosen colors with different colors for each set of eyes (NB: it’s ok to have strange colors, such as yellow, for the eyes – this will just make it more fun).

• Elicit "hair" and again ask "What color is it?". On one head draw long hair in one color (for the girl) and on the other draw short hair (for the boy) in a different color. Teach / Elicit "long / short hair".

• Finally, you’ll need to draw 2 bodies. But rather than you draw them you are going to ask for 2 volunteers to do the drawings. For the girl, draw some shoes quite near the head (so that she will be short) and for the boy draw some shoes right down at the bottom of the board (so he will be tall). Have the students draw the bodies so that they join the heads with the shoes. Now teach / elicit "tall / short".

It should end up looking something like this:

![Completed Pictures]

• Now that the completed pictures are on the board, chorus 3 times the following sentences and point to the pictures as you do:

  - He is tall.
  - He has short hair. (GB: He's got short hair.)
  - He has (blue) eyes. (GB: He's got (blue) eyes.)
  - He has (orange) hair. (GB: He's got (orange) hair.)
  - She is short.
  - She has long hair. (GB: She's got long hair.)
  - She has (green) eyes. (GB: She's got (green) eyes.)
  - She has (brown) hair. (GB: She's got (brown) hair.)
2. **Do "Funny Body" drawings**

Give a piece of A4 paper to each student and yourself.

- On your piece of paper, model drawing a head with eyes, nose, ears, mouth, teeth and hair. Make it a really funny picture. Then tell everyone to draw their funny head. Make sure they use colors for the eyes and hair.

- Next show them how to fold the paper so only the neck shows (so the head is folded behind). Then get everyone to pass their paper to a different student.

- Now model drawing the body starting from the neck and going down to ankles – make it either a really short or long body and make it as funny as you can. Now have your students draw their bodies.

- Again, show everyone how to fold the paper so only the ankles are showing and have everyone pass their paper to another student.

- Finally, model drawing funny feet and get everyone to draw feet on their pictures. Then get everyone to fold up their papers and return each piece to the person who drew the head.

- Let everyone open up their paper and have a good laugh at the pictures. Now ask everyone to "present" their person in the drawing to the rest of the class – you model first (e.g. "This is Tom. He is short. He has pink hair (GB: He's got pink hair), etc.").

3. **Play the "Describe Your Friend" song and do the active listening worksheet**

Tell the class that they are going to listen to a song about a boy and a girl. Give out either "Describe your Friend Worksheet 1" or "Describe your Friend Worksheet 2" (worksheet 2 is better if you cannot print out colored worksheets).
Read the instructions to the class and then play the song. As the song is playing students should do the worksheet activity. Play the song again if required. Finally, go through the song one more time stopping to check answers.

If everyone enjoyed the song, you can play it again and have everyone sing along (especially as it’s such a catchy tune!)

### Gestures for "Describe Your Friend"

There are no gestures for this song - a listening activity with worksheets accompanies the song instead (see point 6 below). However, if students enjoy the song you can encourage them to sing along and dance!

For the active listening activity use either of the following worksheets:

- "Describe your Friend Worksheet 1" is a 'listen and circle what you hear' exercise.
- "Describe your Friend Worksheet 2" is a 'listen and draw' exercise (this is better if you can't print out the color Worksheet 1)

### 4. Do the "Describe Your Friend Class Survey"

This will give your students the chance to use the lesson structures. Give out the class survey worksheet. Each student should work on their own for a few minutes looking at their classmates and filling in the table about 6 of their friends in the class. Whilst they are doing this, circulate and check and ask questions.
Finally, once everyone has finished, ask each student to describe some of their friends: Ask, "Tell me about your friend", "What does he / she look like?".

Finally, put students in pairs to practice asking about their classmates.

Additional activity: Have your students ask about and describe family members (e.g. brothers, sisters, parents, grandparents, etc.).

5. Read classroom reader "The Clever Prince"
Before class, download and print off the reader "The Clever Prince" and enough reader worksheets for each student. First, give each student a worksheet and have pairs read the descriptions of the characters from the story and draw what they think they will look like. Then as you read through the story students can check how close their drawings are to the character pictures.

As you go through each page, point to the pictures, elicit adjectives to describe the characters in the story:

Teacher: (pointing to the picture of the princess on page 1) Who is this?
Students: A princess?
Teacher: Yes, that's right! And what does she look like? (elicit description adjectives)
Students: She has long, blond hair. (GB: She has got long, blond hair.)
Teacher: Yes! And she is very beautiful, isn't she?
Students: Yes!

Get the students really involved in the story by asking lots of questions such as what the animals (real and fictional) are and what everyone thinks the prince should do to rescue the princess.

Alternatively, watch our video version of the reader on our website.

6. Play "Guess Who?"
For this activity, you'll need lots of magazine pictures of people. Try and get lots of different types of people pictures, with different color eyes and hair. The more pictures you can find and cut-out before class the better (Note: This is a great resource to have for future lessons, as people pictures can be used in many different ways).
In class, lay out all of pictures on the floor or on a large table. Start by saying "My friend has (short, brown) hair, he is (tall) and he has (green) eyes" (GB: "My friend's got (short, brown) hair, he is (tall) and he's got (green) eyes"). Everyone should try and guess which picture you are describing. You can also give additional clues (clothes, etc.). The student who guesses correctly can then have a go describing someone.

Now that everyone has got the idea of the game, put students into small groups and have them play the game together. Whilst they are playing, monitor, help and encourage the use of the lesson structures.

Wrap Up:

1. Assign Homework: "Describe Your Family" worksheet.
2. Wrap up the lesson with some ideas from our "Warm Up & Wrap Up" lesson sheet.
